

GRADUATING? WE'RE HIRING.

LIVEWORK. detroit!

ENGINEERING, TECHNOLOGY, HEALTHCARE

Friday, March 9, 2012, 10 a.m.-4:30 p.m.

Thinking about where you want to be after graduation? Meet Detroit. Home to high-tech startups, cutting-edge medical researchers, fashion trendsetters, unrivaled restaurants, world-renown museums, and affordable places to live. Learn about opportunities in three of the highest-growing industries in the D: engineering, technology and healthcare.

Where are the up and comers going? We want to show you. Join us for a full day tour of the best places to live, work and play in Detroit. Along the way, you'll meet several entrepreneurs and professionals who call the city home.
