Career Exploration & Awareness Month

Toolkit for partners to help promote

The Michigan Department of Labor and Economic Opportunity's Office of Employment and Training supports the annual Career Exploration & Awareness Month to highlight the value of activities that support future education, training and employment opportunities.

Below are some resources to support Career Exploration & Awareness Month partners if they would like to help promote this month-long effort with their audiences. All components may be modified to best suit partner needs.

Career Exploration & Awareness Month Graphics

Sample Website Language

The following language may be used, with modification, to promote Career Exploration & Awareness. Also enclosed is a graphic for use on the web.

Whether you're a young student, just launching your career, re-entering the workforce, or considering a change to your current profession, career exploration and awareness is a valuable step in the process.

Career Exploration & Awareness Month shines a spotlight on discovering the career pathways available to Michigan residents and the employment, training and educational opportunities that come with them.

Check out the career exploration resources available at <https://www.mitalent.org/career-exploration>.

Sample Social Media Messages

The following social media messages may be used, with modification, to promote Career Exploration & Awareness Month. Also enclosed are graphics for use on social media.

Students / Adult Career Seekers
