

COMMUNITY VENTURES

A public-private partnership to promote employment and social enterprise

Employer Wage Subsidy

Participating Michigan Employers receive a \$5,000 wage reimbursement grant for each employee. The grant is paid in monthly installments.

Examples of Annual Grant Awards

Grant amount you could receive based on # of employees:

5 employees = \$25,000

15 employees = \$75,000

25 employees = \$125,000

100 employees = \$500,000

Pre-Screened Talent

Community Ventures works with local talent partners to provide pre-screened job applicants.

Employee Retention Services

The average retention rate for community ventures employees in the program's first year was 81 percent. Support Services and resources are available to help individuals hired at your company remain successfully employed.
