

Job Seeker MILogin Account Setup Process

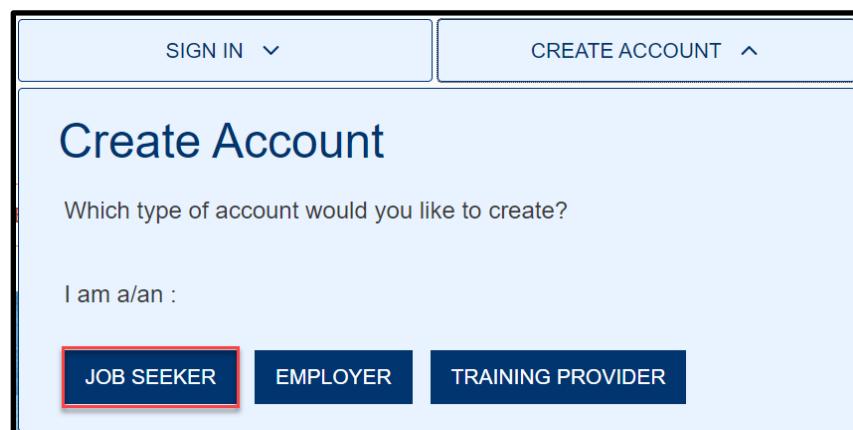

The State of Michigan has adopted a new system, MILogin, which allows you to establish one account to access services from multiple state agencies and departments.

Step 1 – Begin the process

Job Seekers who are new to the PMTC system start the process at www.MiTalent.org by clicking on the “CREATE ACCOUNT” button in the upper right corner.

On the pop-up screen, select “JOB SEEKER” as the type of account you would like to create.

On the Confirmation pop-up, click “SIGN UP” to create a new MILogin account **OR** click “LOGIN” to sign into an existing account.

- Please do not create a new MILogin account if you already have one to access the following online services: Michigan Web Account Manager (MiWAM), MDOS eServices (CARS), MDHHS MI Bridges, DNR eLicense, MDHHS myHealthButton or MiPage. Please use your existing user ID and password from those systems to log into the MILogin portal.
